From the Principal's Desk...

Dear Students,

At the threshold, I, on behalf of Ramkrishna Nagar College fraternity, would like to take the privilege to welcome you to one of the oldest and premier colleges of Karimganj, district, Assam. I really appreciate that you have chosen our institution as a platform for future enterprise to grow and prosper.

Ramkrishna Nagar College is a hub of higher education and one of the best colleges in the Barak Valley, Assam. It was established in the year 1964 with the superlative efforts of some epistemophiles of Ramkrishna Nagar area of Ratabari constituency of Karimganj district to impart higher education to the local students as well as the students from adjoining areas. Being a premier college of great repute, the college has been in the forefront in advancement of higher education and other co-curricular activities. During the glorious journey of 59 years, the college has laid a legacy of producing prodigious students in all fields. At Ramkrishna Nagar College, we are running two undergraduate streams- Arts and Science(Physical Science)with great excellence ushering the students of the entire localities towards a new dawn. We value the enrichment of creativity and nourishment of talents and strive to provide our students updated knowledge with a bunch of qualified, dedicated and research-oriented faculty members.

There is a fifty (50) seated girl's hostel that provides accommodation to the girl students belonging to remote and distant areas of the region. The college central library adorned as 'SHISHIR GRANTHAGAR' is facilitated with modern bar code automation with a collection of about 9 thousand books. The college is keeping pace with changing time with modern and latest facilities. Introduction of ICT classrooms have benefited the students a lot with its audio-visual impact. Our college is taking serious enterprises in order to develop self-reliance in both the girl and boy students. Short-term course of cutting and knitting is helping the girl students to be self-dependent. Training for mushroom cultivation, short-term courses on computer application are some other job-oriented courses offered by our institution. These provide job opportunity to the needy students that help them to be confident and self-dependent. This is the call of the hour in a state where unemployment is a curse. Our college is taking care of this as a part of innovative practices. Science laboratories, seminar lab, computer lab, language lab, open air gym, internet access, pure drinking water facility are evident inside the campus which are running to the utter satisfaction of the students as well as of the staff members.

The need of the hour is to build our nation through character building of the young stars. Our college is contributing a lot in this regard by making the students disciplined and providing them guidance and moral support. The NCC and NSS wings of our college are pioneering in this respect by boosting the moral and

leadership qualities of the students through their training programs. There is a big playground and an indoor stadium which provide space for the extra-curricular activities of the students as well as staff members. Football, volley ball, cricket, badminton, table tennis are some of the sports practiced by our students through which our college has bagged laurels in university level. Many students of our college have got jobs in Assam police and defense service by dint of their excellence in sports and NCC.

Our mission is to grow excellent scholars and responsible citizens of the country who can serve the society. In order to visualize our mission, we have ensured that our students are provided with the best possible opportunities and incentives to steer their potentials in the right direction.

Our top priority is to maintain the clean and green campus of our college. The landscape of the college is surrounded by plants and trees which keep the campus pollution free. We are taking every care for sustainable development through preservation of green environment and other natural resources like water and so on.

Further, the introduction of a center for 'Non-Formal Sanskrit Education' sponsored by the Central government of India is an innovation which is designed to amplify the cultural and linguistic opulence among the students and to acquaint the new generation with our glorious ancient Vedic language. Another venture that contributes to the upliftment of higher education in our college is the inclusion of the study center of KKHSU, a state open university.

At present our college is preparing for the submission of SSR for accreditation of NAAC which will add a label of recognition of excellence to our institution.

Before I conclude, let me congratulate you again for choosing our college to enter the global higher educational arena with firm determination. I am convinced that you will bloom under the quality nurturing of our institution. We are committed to deliver the optimum quality education and to open up new vista of success for you. I welcome you, once more, wishing a grand academic journey here at Ramkrishna Nagar college.

May the Almighty bless you to touch the zenith of prosperity.

About the College:

Ramkrishna Nagar, situated in a remote corner in the district of Karimganj, Assam, falls under the jurisdiction of Ratabari LA-I (Reserved) and MP-I Karimganj (Reserved) constituency. The demography of the land comprises SC, ST, OBC, MOBC, EX-TGL and minority community. The natural beauty of the landscape is enhanced by the surrounding hilly tracts with the lush green tea gardens on the outskirts which add to its grandeur and beauty.

Ramkrishna Nagar College came into being on 12th January 1964. The untiring efforts of a Steering committee, led by Late B. N. Mukherjee, former Minister of Health, Govt. of Assam, supplemented by the sincere help and co-operation from dedicated educationists, elites and patrons of the locality, brought this seat of learning into existence. It was brought under Deficit Grant-in-Aid system in 1974, by the sincere efforts of Late Suranjan Nandi, former Minister, Govt. of Assam, subsequently the college was included under provincialization Act 2005.

Ramkrishna Nagar College is located at a distance of 55 km, from District Headquarter. It is situated on a 36 Bigha hilly tracts of land, donated by the neighbouring Higher Secondary School, Ramkrishna Vidyapith. The buildings of the college are adorned with names such as: GITANJALI, MALONCHO, NOTORAJ, ARUNI, UDOYON, ASHMITA, ANNAPURNA, DODHICHI, NILACHAL, etc.

The College was initially affiliated to Guwahati University and in 1994, it came under the affiliation of Assam University, Silchar. It is also registered under Section 2(f) and 12B of the UGC Act 1956.

The college earned the distinction of Grade 'B' scoring 73.05% of accreditation. Presently, the re-accreditation process is in progress.

The founder Principal of the college was Late Shishir Ranjan Kar Shastri, a versatile man with great knowledge and wide understanding. By taking up the noble cause of spreading the light of education to the people of this remote area, he has rendered an invaluable service to mankind.

Today, with the changes in the entire teaching-learning process, Ramkrishna Nagar College has accepted the challenges of qualitative higher education with determination and grit. The college has updated its infrastructure including spacious Buildings, Computer Labs., Departmental Libraries, Automated Central Library (with Internet connectivity under the aegis of INFLIBNET, Ahmedabad), College Bus, Tennis Court and a new administrative building with all modern facilities as per the requirements of present-day educational curriculum.

Over the past five decades, Ramkrishna Nagar College has outgrown its

infancy and is flourishing today as a promising institution with rich infra structural resources, imparting qualitative higher education. As a pioneer institute of this remote corner of the North-East, our College has been a source of inspiration, pride and glory for all. Here it will be worthwhile to mention that the efforts of the college fraternity have enabled the college to attain its great height of excellence. The college fraternity here acknowledges, with sincere gratitude, the support extended by UGC, MHRD, NERDP, Assam Govt., the valued guardians and the elites of this area.
